GROWING MINDS - KEY COMMITMENTS:

- Growing Minds will provide an on-farm classroom to allow children to gain knowledge through a meaningful, developmentally appropriate, experiential learning process
- Growing Minds will work to educate children about healthy food. With the power of new knowledge, children will make healthier food choices, gain confidence, and develop critical thinking skills through growing, harvesting and preparing foods
- Growing Minds will teach children about the importance of agriculture in their daily lives
- Growing Minds will provide children with a safe environment to gain first-hand knowledge about farm production activities
